### ATTACHMENT IN SUPPORT OF THIS REQUEST

I hereby rescind the previous request that the above-identified application not be published under 35 U.S.C. 122(b).

The application was filed in Taiwan on October 9, 2001 and in China on November 23, 2001.

Currently, the Taiwan patent law does not require 18 month publication. The Chinese application will be published; but will not be published until on or after August 15, 2002.

We understand that the applicant is required to file a request to rescind the previous nonpublication request within 45 days after filing a foreign application in a country, which requires the 18 month publication. Due to a docketing oversight, the filing of this notice was overlooked. Therefore, the late filing of this notice is unintentional.
